## TOP TIPS TO FIND A GREEN APPRENTICESHIP

Where to look and how to spot great vacancies

Which green apprenticeship job roles are there?

Here are some examples:

### Smart Home Technician

Installing devices in homes to allow people to monitor how much energy they are using.

### Countryside Ranger

Protecting wildlife and helping to conserve green spaces and natural habitats.

### Environmental Practitioner

Providing employers with a high level of professional environmental advice and expertise.

### Ecologist

Studying the relationship between living things and their environment.

### Forest Operative

Managing trees, plants and the environment in forests and woodland.

### Metal Recycling Operative

Identifying different metals, sorting and separating them into grades.
