Friday 4th September – All lessons begin

For all Term and Inset Dates please check our Website - <https://post16.clf.uk/academy-information/term-dates/>

Message from the Head of School

Dear Parents/Carers

As we reach the end of this academic year, we look back with pride on the achievements of our community.

For those of you who are reading this as the parents/carers of year 13 and foundation students, we are proud of the young adults that these learners have become. We wish these young people the very best as they wait for their results in August and move on to the next stage in their learning journeys. We have students preparing to start university courses, apprenticeships and employment and we are excited to see the positive impact that they make as they take our core values of care, believe and achieve out into the wider world.

For those of you with young people in year 12, we look forward to seeing our students back on the 3rd of September, well-rested and ready to throw themselves into another year of their studies. The mock exams and final reports have given students clear targets to work towards in their subjects, and we look forward to supporting them to achieve their very best in year 13. We are excited about the conversations we will have regarding future destinations as we prepare applications for university and apprenticeships. Alongside this, we have new enrichment opportunities for students to enjoy and house events to participate in. Year 13 will be a busy year and will go by quickly, so we encourage students to make the most of it!

At this time of year, we also say goodbye to members of staff and welcome new colleagues for the new academic year.

We say fond farewells to Andrew Dolman, Carys Lampard and Bill Wheeler, we wish them all every success in their future endeavours.

Joining us in September are Colleen Litchfield (Assistant Principal), Simeon Akwu (Cover supervisor) Katy McGuire and Jessica Lavelle (Student support and admin) and Nafeesa Malik (Teacher of Biology and Applied Science).

Thank you for all the ways in which you support our students to care, believe and achieve.

We hope that you have a lovely summer break.

Ali Ashman
Head of School

Safeguarding over the summer holidays

CLF Post 16 will be shut over the summer holidays. If you need any support during this time, please see here for a list of helpful agencies. <https://post16.clf.uk/academy-information/safeguarding-information/>
