

Friday 24<sup>th</sup> February 2023

Dear Parent/Carer,

### **National Careers Week, 6<sup>th</sup> – 10<sup>th</sup> March 2023**

At CLF Post 16, supporting our students in choosing their next steps is hugely important to us.

National Careers Week 2023 is happening soon and we have a range of exciting opportunities for students to engage in both inside and outside of their curriculum.

#### **Subject links**

Students will have the opportunity to hear a live talk from a professional working in an area linked with their chosen subjects. We have a range of professionals ranging from adult nurses to structural engineers, architects and environmental consultants. These professionals will be dropping into timetabled subject sessions throughout the entire week.

This will be a great opportunity for students to learn more about these careers and the routes into them. It will also give students a real insight into the daily life of each professional which will ensure students are getting real up to date knowledge of each career.

#### **Monday 6<sup>th</sup> March: Careers Fair**

On Monday, we have a large range of providers in to showcase careers within their chosen field. All students will visit the career fair during their timetabled academic mentor session which takes place between 12pm and 1pm. We have providers booked in from healthcare, leisure and lettings, youth charity sectors and higher education settings as well as many more. It is hoped that all students will make the most out of this opportunity and visit each stand. Students will be given time to prepare for this event during their academic mentor session on the 27<sup>th</sup> February.

#### **Tuesday 7<sup>th</sup> March: 1 to 1 Mock Interviews**

On Tuesday 7<sup>th</sup> March, we would like students to come into Post 16 wearing professional business attire/smart clothes as they will have a short practice interview with someone currently working in a professional role.

Students will have the opportunity to develop their skills in the recruitment process and will receive feedback from the professional. These interviews will take place throughout the morning. Students will be given a 20-minute time slot to come out of their lesson to participate in the interview. Times will be sent to students and their subject teachers via email so please do encourage regular checking of student emails.

Empowering Learning

Year 12 students will come down to the eye during a timetabled lesson. Year 13 will have the opportunity to book a slot using Eventbrite.

We are very much looking forward to providing these opportunities for our students during Careers Week. Please do get in contact if you have any questions about the opportunities available.

Kind regards

Jeanine Preece

Associate Assistant Principal: Wider Curriculum
