Year 12 Meet the Tutor and Year 13 Future Aspirations Evening 17/09/2025, 4:15pm – 6pm

Reminder to please book your place for this event: - [Booking form Meet the Tutor/Destinations Event](#) it is a family event to build our community, therefore if you need to bring younger siblings please do!

Year 13 Future Aspirations is an important event where students, parents/carers can find out about applying for university, apprenticeships and other routes. There will be representatives from various providers available to talk to.

Nov GCSE Resits

All students who achieved a strong GCSE grade 3 in Summer 2025 should consider whether they want to retake English and/or Maths GCSE in November. The fee for the exam is £51.20 per subject. Students can collect a form from the Eye to apply for this. The deadline to apply for re-sits is 24th September 2025. Students can speak to their Maths/English Teachers if they are unsure.

Lanyards

All students should have their photo ID card now. This must be worn at all times when on site. If students forget their card, their Head of House may ask them to go home to collect it.

Students on site – Students are expected to leave the Post 16/John Cabot site as soon as their lessons for that day have finished. They should also not attend until they have their first session/lesson.

Students should not be on site before 8am

Year 12 Students – Request to change an option

Year 12 students will have a link shared on Thursday to request a discussion about a possible change in subject, however all our courses are now full, so this will not be guaranteed.

Contact details – Should your contact details change, please ensure you let us know by emailing info@p16.clf.uk

Post 16 Parent Councillor Vacancy – We currently have a vacancy for a Parent Councillor (volunteer role) if you would like further information and a form to apply, please email laura.humphries@clf.uk
