**Happy New Year.** Students have returned to make a positive start to term with their learning and have been working hard. We have completed 1/3<sup>rd</sup> of the year; the next term is a period of time to embed what we know in subjects before our next Mocks in Term 4. We welcome the contact and partnership from parents and carers, Thank you.

## Attendance

Attendance remains to be our priority; please can parents/carers call the Academy if your child is not well - 0117 988 2525 Option 2 or email - [attendance@clfp16.org](mailto:attendance@clfp16.org)

## January External Exams

Well done to all those students who completed their exams this week. Module exams for several Vocational subjects will continue next week. To see the dates and times students can check the 'Exam Timetables' tab on the Student Portal and parents can do the same on the My Child At School (MCAS) app.

Please encourage our young people to make use of the revision materials provided by their teachers and plan their journeys to arrive plenty of time before the exams: by 8:45 for morning exams and 12:45 for exams in the afternoon. Good luck!

## My Child at School (MCAS) App

Thank you to all those that have set up their MCAS App, if you have not yet been able to do this, please can you do so at your earliest convenience in order to be able to see your child's exam details, reports, book for parent evenings and receive general communications.

Information on how to set up MCAS can be found here
