For all Term and Inset Dates please check our Website - <https://post16.clf.uk/academy-information/term-dates/>

Year 13 & Foundation Groups Parents Evening

Thank you to all the parents and careers that attended Parents Evening, we hope it was useful to you and your young person.

We would very much welcome your thoughts and feedback on our provision and would therefore appreciate it if you could take a couple of minutes to complete this form - [Parent feedback. REACH focus – Fill in form](#)

Revision Booklet link

Examinations are a significant milestone in a student's academic journey. It's perfectly normal for your young person to become anxious about them, but it's also possible to reduce this stress by planning ahead. We have put together this booklet with some useful tips for you both to read - [Student information & revision for exams-leaflet](#)

Young Carers

We recognise that many students within our school community are Young Carers - children and young people who help look after a family member with a disability, illness, mental health condition, or challenges related to addiction. This may involve caring for a parent, sibling, or another member of the extended family.

Young Carers take on a wide range of responsibilities, which may include practical tasks, physical care, emotional support, personal care, managing money or budgets, collecting prescriptions, helping someone communicate, and supporting younger siblings, among many other duties.

We are committed to supporting our Young Carers and want to ensure that every student who identifies as a Young Carer can access the help, guidance, and information they are entitled to.

If your child has Young Carer responsibilities or you believe this may apply to your family and you feel this is information we may not already have, we would really like to hear from you so we can offer appropriate support.

Please contact stacey.gwynn@clf.uk to inform us of Young Carer status or to discuss this further.
