National Apprenticeship Week

National Apprenticeship Week runs throughout next week. We will have a variety of providers visiting during lunch time, for students to speak to and gain further information. Mock Interviews

We will be holding mock interviews for all students on Tuesday 17th March. Students are to come in dressed smartly as they will be interviewed by a range of employers, in a safe and relaxed environment, to help prepare them for their next step destinations after Post 16.

Teachers will bring their classes for a 20-minute interview session, and they will return to curriculum learning afterwards. We are also holding a careers fair on Tuesday 24th March to further support routes after Post 16.
