National Careers Week

Next week is National Careers week. Supporting students in choosing their next step destinations is hugely important to us, and we have a wide range of exciting experiences planned, not just for the week, but throughout March. This will include professional visitors coming to subject lessons to share expertise and various drop-in sessions in the Eye. On Tuesday 17th March we will be holding professional Mock Interviews, followed by a Careers Fair on Tuesday 24th July – further information on these events will be sent separately.

Mock Exams

Students have made a positive start to the mock exams arriving on time and ready. Reminder that all students must attend their lessons as normal when they are not in an exam.

Progress review week

There is an opportunity, in the week commencing 6th March, for Parents and Carers to discuss their son/daughters' progress during the CLF Post 16 progress review week.
Staff will be in touch to arrange meetings where there are concerns around progress, conduct or attendance, but parents are also welcome to reach out to the Academy and request meetings by contacting the following staff members:
