For all Term and Inset Dates please check our website - <https://post16.clf.uk/academy-information/term-dates/>

Year 12 & Foundation Meet the Tutor & Year 13 Destinations Evening

Following our email sent on 29/09/2026, here is a reminder to book in using the following link - [Meet the Tutor \(Year 12 & Foundation Group\) & Destinations \(Year 13\) Event 2026 – Fill in form](#)

This is an important event for year 13 families as we can answer questions on the UCAS process and support with applying for apprenticeships.

Supporting good attendance during the winter months - Pupils are expected to attend Post 16 every day unless they are genuinely too unwell to do so. As we move into the colder months, it is normal for people to pick up the occasional minor illness. Typically, these minor bugs do not require time away from school/college. Attending every day supports young people's learning, wellbeing and friendships. We recognise that parents and carers want to make the best decision for their young person, and we are here to support you if you are unsure whether your child is well enough to attend.

If your child is not feeling at their best, practical steps such as getting a good night's sleep, eating regular meals and drinking plenty of fluids can help. We also encourage pupils to speak to a member of staff if they feel unwell during the school day.

Simple steps to help prevent illness

Families can help reduce the spread of illness through regular handwashing with soap and water. We also encourage all pupils to follow the "Catch it, Bin it, Kill it" approach: use a tissue for coughs and sneezes, put it straight in the bin and wash hands afterwards. If a tissue is not available, children should cough or sneeze into their elbow.

Public health advice recommends the seasonal flu vaccination for eligible children and young people.

University & Apprenticeship Fair – Open to all We have spaces still available to take students to the UK University and Apprentice Fair on 15th October, by coach. The cost for this is £7.50. Students need to sign up here -

<https://www.ukuniversitysearch.com/fair-signup/bristol-autumn-2026/register> and take payment to the Careers Office or the Eye. Email the Careers Team for any further information – careers@p16.clf.uk

Students onsite outside of lesson times

If a student doesn't have any lessons on a particular day, then they should not be on site. However, if they have lessons at different times of the day, i.e. Period 1 then Period 4, they can use the space in the Eye in-between these lessons to study or sit quietly.

Expectations:

- During lesson times, the eye downstairs is for silent study
- During lesson times, the eye upstairs is for quiet group study
- Table tennis and table football are only for break and lunchtime
- Students making too much noise or behaving in an inappropriate way will be asked to leave the eye

All students should leave the site by 3.30 unless they have an after-school club.

Bristol City vs Wolves

Bristol City have offered the CLF Community a special rate to attend their Fireworks Night game at Ashton Gate. £10 Adult tickets and £5 Under-19 tickets for Bristol City v Wolves game on Wed, Nov 4th (8pm). Offer is valid only in the Atyeo Stand – blocks N35 and N36 (Home fans only). Discount code is: **CLFCITY10**
