Recent unrest

We are aware of the recent unrest and protests involving far-right groups in Bristol, and we recognise that these events may be causing concern and anxiety for some of our families and the wider community. We want to reassure you that the safety and wellbeing of our students remains our highest priority. We are continuing to follow our school's safeguarding and safety procedures and will remain attentive to any concerns that may affect our students. We understand that events such as these can have a significant impact on individuals and families, particularly those who may feel directly affected or worried about their safety or that of their children. Please know that we are here to listen, offer support and help students feel safe, respected and able to learn.

If your child is feeling worried, unsettled or would like to talk to someone, please encourage them to speak to a trusted member of staff. Our pastoral team is also available to provide support, and parents and carers are welcome to contact the academy if you have concerns or feel your child may need additional help.

We would also encourage you to access the support of the following services:

- [Childline](#) – free, confidential support for children and young people on 0800 1111.
- [YoungMinds](#) – information and advice for young people experiencing difficulties with their mental health, as well as support for parents and carers.
- [Citizens Advice](#) – practical advice and guidance for anyone experiencing discrimination or needing help to understand their options.
- [Victim Support](#) – confidential support for people affected by hate crime or other incidents, whether or not they have reported them to the police.

We remain committed to ensuring that our academy is a place where every student feels safe, valued and respected, regardless of their background or identity. We will continue to promote kindness, inclusion and respect throughout our school community.

Thank you for your continued support and partnership. If you have any concerns about your child, please do not hesitate to contact us.

Trips permission

During Enrolment we collected local trip consent for students joining in Year 12, we will carry forward those permissions for Year 13s unless informed otherwise. Please let us know, by emailing info@p16.clf.uk, if you would like to revoke permission for us to take students out on local trips (within the Bristol/S. Glos area) without obtaining explicit parental consent for each trip.
