As we reach the end of another busy term, we take time to reflect on the amazing achievements of our students and staff at CLF Post 16. Students have been well prepared for exams and continue to strive to do their best.

Our students have been incredible, making their mark and making us proud. Exams are now well underway, and we wish every student the very best of luck over the coming weeks and with everything that lies ahead as they start their new chapters.

Thank you to all the parents and carers that have supported us and their young person, attended events and engaged in the journey.

## Year 12 Parents Evening – 10th June

Reminder for Parents/Carers of Year 12 students (Mandela House) to book in for Parents Evening via MCAS. (Please note this doesn't include Foundation students who are shortly leaving).

## Year 12 Mocks

Next term we have an important series of Mock exams. These will be taken by most students coming to the end of the first year of their course. However, students taking courses with modular exams (eg Vocational Qualifications) may have sat externally marked exams in May and early June and will not sit further internal mocks. Further information and timetables will be sent in due course.
