# HOW DO WE KEEP OURSELVES SAFE ONLINE?

## TIPS FOR STUDENTS

### DIGITAL CITIZENSHIP AND INTERNET SAFETY

- 1 LAWS** Many sites and web tools are 13+. Most images and work online are protected by copyright. 
- 2 TALK** Tell your parents what you're doing online. Always ask a trusted adult if you're unsure of anything. 
- 3 FRIENDS** Don't add or meet online friends without parent permission. Don't trust everything friends tell you. 
- 4 PRIVACY** Keep personal info private: Your full name, Address, Phone number, Passwords, Your plans and birthday. 
- 5 REPUTATION** Don't post anything you wouldn't want teachers, family, friends, and future employers to see. 
- 6 QUESTION** You can't believe everything you read and see online. There's a lot of incorrect and biased info. 
- 7 BULLYING** Tell someone if you think cyberbullying is happening to you or other people you know. 
- 8 ACCOUNTS** Choose sensible email addresses and usernames. Use strong passwords and don't share them with others. 
- 9 MANNERS** Be polite and respectful at all times. Treat others online how you'd like to be treated. 
- 10 UNPLUG** Balance your screen time and green time. Get outdoors, move, play, and interact face to face. 

If in doubt, **think** about and **talk** it out
