

Term 6 2026 P16 MOCK EXAM TIMETABLE MONDAY 22nd June – Friday 26th June

The timetable below gives an overview of when the ‘mock’ exams for Year 12 will take place. Some subjects will not be taking mock exams as they have recently done assessments with the exam board. Individualised timetables can be checked on the ‘Student Portal’ or MCAS app.

Exams will take place in the Sports Hall and results will inform discussions over progression into Year 13 and Predicted grades for University applications, so it is important students prepare fully for these assessments. Teachers have been asked to provide revision materials to support students prepare for their exams. If a student has missed these lessons then they should email their teachers to request guidance now. The results of these exams will be issued to parents via a report in July.

It is important students arrive **promptly** to have the full time to complete each exam paper. Students must wait in the Cabot Eye at 8:45 if they have morning exams and 12:45 for afternoon exams. Students with access arrangements (eg scribe or reader) will need to wait in the kitchen area to be taken to their rooms. Please help us and them by highlighting on the attached timetable when their specific exams will be taking place and provide frequent reminders so these arrangements are clear.
